ARTICLE XII

Leaves of Absence: Sick Leave, Parental Leave, FMLA Leave, Personal Leave, Bereavement Leave and Other Leaves

A. Sick Leave

1. Number of Sick Days: Employees will be entitled to fifteen (15) days sick leave each school year. Unused sick leave may be accumulated from year to year up to two hundred (200) days. Part-time employees shall be entitled to benefits set forth in this Article on a pro-rata basis as determined by the Superintendent of Schools.
2. Use of Sick Leave: Sick leave shall be granted at the discretion of the Principal or Superintendent to employees only under the following conditions:
 - a) Self/Own Illness:
 - (1) When an employee is incapacitated for the performance of his or her duties by sickness, injury or disability;
 - (2) Through exposure to contagious disease, or when the presence of the employee at his/her post of duty would jeopardize the health of others;
 - (3) When the employee has an appointment with a specialist or is having a scheduled medical procedure and the appointment could not be scheduled during a non-work day or during non-work hours.
 - (4) Sick leave will not continue beyond five (5) work days without written verification of the illness, injury or disability by the employee's attending physician. Note that sick leave for an employee's own illness that extends beyond five (5) working days may fall under the

provisions of the Family and Medical Leave Act “FMLA”. Additional sick leave (paid or unpaid) may be granted, of up to twelve weeks in a rolling twelve month period, for an employee’s own illness. An employee’s accrued sick time may be applied to such leave. See Appendix F for more details on FMLA leave.

- b) **Family Sick Leave:** An employee may use up to ten (10) days of his/her own sick days per year in order to care for an ill member of the immediate household, including step-families, and the following family members: spouse, domestic partner, parents, children, sister, brother, grandparents, mother-in-law and father-in-law. The Superintendent, in his/her sole discretion, may allow for the use of additional sick time by the employee. In cases where FMLA is applied, written verification of the illness, injury, or disability by the family member’s attending physician is necessary. Note that sick leave for a family member that extends beyond five (5) working days may fall under the provisions of the FMLA. Additional **unpaid** FMLA leave may be granted by the Superintendent, of up to twelve weeks in a rolling twelve month period, for illness of family member. See Appendix F for more details on FMLA leave.)

- c) **Parental Leave (Maternity/Paternity/Adoption Leave):** Employees may use accrued sick leave during approved leave of absence for purpose of birth or adoption of child; said leave to be subject to parameters of Massachusetts Parental Leave Law (“MPLL”) and the FMLA. If an employee who is eligible for Parental Leave and/or FMLA leave does not have accrued sick time, he or she may take the time off without pay. The MPLL and the FMLA describe the amount of time (i.e., not the amount of pay) an employee is entitled to take off from work for the birth or adoption of a child. See Appendix F for details on Parental Leave. A brief summary is provided below:
 - (1) **MPLL:** Provides full-time employees, male or female, who have completed three months of service, up to eight (8) consecutive weeks of leave immediately following the birth or adoption of a child. Nauset Public Schools allows an employee to use his or her accrued sick time to receive pay during MPLL leave (for time the employee would ordinarily be at work.) MPLL leave time is counted in continuous weeks, and school break periods are included in counting the number of weeks. In the event two employees of the School District are the parents of the same child, those two employees are only entitled to one aggregate period of eight weeks of unpaid Parental Leave between them (rather than 16 weeks between them).

 - (2) **FMLA Leave for Birth or Adoption of Child:** Concurrent with the MPLL, the FMLA provides full-time employees, male or female, who have completed a year of service, up to twelve work weeks of leave in a twelve month period (Nauset Public Schools use a rolling twelve month period to calculate FMLA leave time) for birth or adoption of a child. An employee may use his or her accrued sick leave during an FMLA absence for purpose of birth or adoption of a child. Under FMLA, school vacation weeks do not count against an employee’s 12-week FMLA leave entitlement.

 - (3) **MPLL and FMLA run concurrently (i.e., they overlap, and are not added together.)**

 - (4) **An employee may also request additional unpaid leave for child rearing purposes. See item H.2.)**

- d) **FMLA Leave:** In addition to the reason of the birth or adoption of a child, a full time employee who has completed a year of service is entitled to take up to 12 weeks of leave in a rolling 12 month period for the following additional reasons, and may apply accrued sick time to said leave (See Appendix F for more details on FMLA leave.):

- (1) Employee's own serious health condition
 - (2) Serious Health Condition of Immediate Family Member
 - (3) Qualifying exigency arising out of the fact that a spouse; son/daughter, parent is on covered active duty or call to covered active duty status with the Armed Forces.
 - (4) Employee is the spouse, son/daughter, parent or next of kin of a covered service member (a current member of the Armed Forces, including a member of the National Guard or Reserves, who is receiving medical treatment, recuperation, or therapy, or is in outpatient status, or is on the temporary disability retired list)with a serious injury or illness.
- e) Sick Time for Bereavement: In special circumstance, the Superintendent may grant additional bereavement days beyond the standard (see Article XII, Section D for further details on bereavement leave); said bereavement days to be deducted from an employee's accumulated sick leave.
3. Approval of Sick Leave and Notice Requirements: The granting of sick leave is solely at the discretion of the Principal or Superintendent but, if granted, the provisions of Article XII, section A above must be followed. Notifications of absences under Section A shall be given as early as possible on the first day of absence. If such notification is not made, such absence may, at the discretion of the Principal or Superintendent, be applied to absence without pay at the current hourly rate. If concrete evidence exists, which shows abuse of sick leave for any period of absence on account of sickness, the Principal or Superintendent may require, for purpose of additional evidence only, a physician's certificate for the necessity of such absence. If such certificate is not filed within five school days after a request is made, such absence may be applied by the Principal or Superintendent to absence without pay. It is agreed that the rate of pay is the current hourly rate.

4. Sick Leave Bank

- a. A Sick Leave Bank will be established for all parties governed by the Master Agreements of the Teachers, Administrative Assistants, and Educational Assistants of the Nauset Schools. The Sick Leave Bank will be instituted to assist those staff whose sick leave accumulation is exhausted through prolonged illness, and who require additional leave.
- b. All permanent employees, as stipulated above, will give one (1) sick day to initially fund the bank from their annual sick leave entitlement from the year the bank begins operation.
- c. All new permanent employees will give one (1) sick day to join the bank upon initial employment in Nauset.
- d. Participation in the bank will be mandatory. The accrued balance in the Sick Leave Bank shall continue from year to year.
- e. The Sick Leave Bank shall be administered by a Sick Leave Bank Committee consisting of six (6) members. Three members shall be designated by the school committees to serve at their discretion, one of the designees to be the Superintendent of Schools and three members shall be designated by the Association. If a tie in voting occurs relative to the granting of Sick Leave Bank days, a tie vote will constitute a denial of the request. Decisions of the Sick Leave Bank Committee shall be final and shall not be subject to appeal or to the grievance or arbitration procedure. Applications must be made to the

Superintendent of Schools who must bring the matter to the Sick Leave Bank Committee within ten (10) working days.

- f. Any request denied by the Sick Leave Bank Committee may be reconsidered upon presentation of new information substantiating the need.
 - g. The Sick Leave Bank Committee shall determine the eligibility for use of the bank, and the amount of leave to be granted. The following criteria shall be used by the Committee in administering the bank, and in determining eligibility and the amount of leave.
 - (1) Prior utilization of all eligible leave including sick, personal days, and vacation leave.
 - (2) Documented medical evidence of serious, extended illness.
 - (3) Propriety of use of previous sick leave.
 - h. The Sick Leave Bank Committee will have access to Nauset attendance and sick leave records of staff who request days from the sick leave bank.
 - i. The initial grant of sick leave by the Sick Leave Bank Committee shall not exceed thirty (30) days. Requests for additional days may be requested in increments up to thirty (30) days upon demonstration of continued need by the applicant.
 - j. The Sick Leave Bank Committee shall replenish the bank by the contribution of one additional day of sick leave per permanent employee whenever the balance in the bank falls below one hundred (100) days. This additional day will be deducted from each employee's annual allotment of sick leave.
5. Sick Leave Buy Back: Upon retirement, reduction in force, voluntary resignation, or death, an employee with a minimum of ten (10) years of service in the Nauset Public Schools shall receive payment at a rate of twenty-five dollars (\$25) per day for all unused sick days in excess of one hundred (100) days. If the termination of employment is caused by death, such payment shall be made to the employee's beneficiary within ninety (90) days after the establishment of an estate. An employee will not be eligible for any payment of unused sick days if dismissed with just cause.
6. Transferability of Sick Leave: An administrative assistant will keep her accumulated sick leave if s/he moves to any other position in the Unit.

B. Personal Leave

- 1. Two (2) personal days absent, with pay, per year shall be granted employees, for the purpose of tending to some personal business which cannot be tended to outside of normal working hours. Personal days shall not be used to extend vacations and will not be allowed on the day immediately before or immediately after a day off, holiday or vacation, except in an emergency.
- 2. At the end of a given school year, an employee who has 100 accumulated sick days will be entitled to credit any unused personal day(s) for that year in a special "accumulated personal day

These accumulated personal days will be available for severance pay at the same rate and under the same conditions as accumulated sick leave in accordance with Article XII, Section A.5.

- C. Failure at any step of this procedure to appeal the grievance to the next step within the specified time limit shall be deemed to be acceptance of the decision rendered at that step. In the event a grievance is filed on or after **June 1**, which, if left unresolved until the beginning of the following school year could result in irreparable harm to a party in interest, the time limit set forth herein will be reduced so that the grievance procedure may be exhausted prior to the end of the school term or as soon thereafter as is practicable.
- D. No reprisals of any kind shall be taken by any party to this contract against any party in interest, any witness, any member of the Association, or any other participant in the grievance procedure by reason of such participation.
- E. The grievance at any level will be in writing and signed and shall set forth the precise date, time and place of the grievance and shall set forth the facts giving rise to the grievance and the item that is believed to be violated. All documents, communications and records dealing with the processing of a grievance will be filed separately from the personnel files for the participants. Unless

requested to do otherwise by the employee in question, any documents, communications and records dealing with the processing of a grievance will be kept in the strictest confidence and will not be made available to potential employers or others inquiring about said employee.

F. The Association shall be permitted to be heard at each level of the procedure under which the grievance shall be considered.

G. Level One

1. An employee with a grievance shall with or without a representative of the Association, present it in writing to his/her immediate supervisor and/or the principal within fourteen (14) calendar days of the event on which the grievance is based. In the event that a grievance affects a group or class of employees the group or class of employees may request the Association to submit the grievance on their behalf commencing at Level One. Any meeting with reference to the above shall be held during non-school hours.

H. Level Two

1. In the event that a grievance shall not have been disposed of to the satisfaction of the aggrieved employee at Level One, or in the event that no decision has been reached within fourteen (14) calendar days after presentation of the grievance to the immediate supervisor and/or principal, the grievance shall be reduced to writing and referred to the Superintendent of the Schools within seven (7) calendar days of the disposition under Level One.

2. Within fourteen (14) calendar days after receipt of the written grievance by the Superintendent, he or his designee shall meet with the aggrieved employee and the said President or his designee in an effort to settle the grievance.

I. Level Three

1. In the event that the grievance shall not have been satisfactorily disposed of at Level Two, or in the event that no decision has been rendered within fourteen (14) calendar days after the Level Two meeting, the Association, may refer in writing within fourteen (14) calendar days of the disposition under Level Two the unsettled grievance to arbitration. The arbitrator shall be selected by agreement between the parties. If the parties are unable to agree upon an arbitrator, the selection shall be made by the American Arbitration Association, in accordance with its rules and regulations.

2. The arbitrator shall be without power or authority to modify or alter the terms of this contract.

3. The decision of the arbitrator shall be in writing and shall be rendered within thirty (30) days after the hearing is declared closed. The decision shall be final and binding on both parties.

4. The costs for the services of the arbitrator shall be borne equally by the School Committee and the Association.

5. Each party shall pay its own expenses for the presentation of its case to the arbitrator.

6. A written record shall be made of the disposition of any grievance at Level Two or Level Three.

7. By mutual consent of the parties involved in the grievance procedure, the time schedule may be shortened or lengthened.

ARTICLE XIX
NO STRIKE

The Association and employees shall not engage in, induce or encourage any strike, work stoppage, slow down, picketing, withholding of services or any other direct or indirect interference, concerted or otherwise, with the Committee's operation.

ARTICLE XX

- B. Employees covered by this contract wishing to be considered for such a vacancy must make written application to the Superintendent of Schools within **five (5)** business days of the vacancy being posted. All current employees who apply for the position will be given an interview.
- C. If a vacancy occurs during the school year, the School Committee of jurisdiction reserves the right to either not fill the vacancy, or to delay filling the vacancy until the beginning of the following work year.
- D. Years of service and corresponding vacation benefits shall be recognized and maintained when a Region administrative assistant assumes an elementary position or when an elementary administrative assistant assumes a Region position. A 12-month administrative assistant assuming the position of a 10-month administrative assistant will be eligible only for the vacation benefit of a 10-month administrative assistant.

ARTICLE XXII
RESIGNATION

No resignation will normally be accepted without twenty-one (21) calendar days written notice.

ARTICLE XXIII
PROTECTION

Any employee covered by this contract who is sued while exercising his/her responsibility as an employee of the School Department shall receive legal assistance as required by law.

ARTICLE XXIV
REDUCTION IN FORCE

- A. Each of the five (5) School Committees (Nauset Region, Brewster, Eastham, Orleans, Wellfleet),

as separate political bodies, retains the exclusive rights to determine the number of administrative assistant positions which are needed in the school(s) under its jurisdiction and also retains the exclusive right to determine the number and type of employees to be laid off.

1. In determining the order in which administrative assistants are to be laid off within the discipline both seniority within the Nauset School System and performance shall be considered. In the event that grievances related to this article are filed prior to the decision of the Superintendent/Principal, the Superintendent/Principal retains the right to retain, lay off by seniority or by evaluation, at their discretion.
2. In the evaluations, the overall performance of the employees shall be characterized as "Exemplary", "Proficient", "Needs Improvement", or "Unsatisfactory" in each of the stated performance criteria on the evaluation document. An administrative assistant who has received all "Exemplary" or "Proficient" in the most recent evaluation shall not be laid off if within the discipline there is an administrative assistant of longer seniority who has received one or more "Needs Improvement" or "Unsatisfactory" in the most recent evaluation. In such a case, the administrative assistant with the higher evaluation shall be retained. An administrative assistant who has received one or more "Needs Improvement" in the most recent evaluation shall not be laid off if within the discipline there is an administrative assistant of longer seniority who has received one or more "Unsatisfactory" in the most recent evaluation.
3. In the absence of a significant difference in the most recent evaluation of each administrative assistant as described in B. above, the administrative assistant within the discipline having the least seniority will be laid off first. In the absence of a significant difference in performance or seniority between or among administrative assistants, lots will be drawn in the presence of the administrative assistants potentially affected, an Association representative, and the designated administrator(s) to determine the administrative assistant that would be laid off or reduced.
4. An administrative assistant laid off pursuant to section 3. above shall have the right to take the position of an administrative assistant in another discipline having less seniority provided the administrative assistant to be laid off is qualified in the other discipline, as determined by the Principal and Superintendent and, in the case of the Central Office administrative assistants, as determined exclusively by the Superintendent.
5. For the purpose of this Article, each separate elementary School Committee shall establish the following discipline categories for the elementary school(s) under its jurisdiction: Level B (Administrative Assistant/Attendance); Level C (Administrative Assistant to the Principal).
6. For the purposes of this Article, the Nauset Regional School Committee shall establish the following discipline categories:
 - a. Middle School: Level B (Administrative Assistant/Attendance, Administrative Assistant to Assistant Principal, Administrative Assistant to Special Education); Level C (Administrative Assistant to Principal, Administrative Assistant Guidance/Registrar).
 - b. High School: Level C (Administrative Assistant to Principal, Administrative Assistant to Assistant Principal, Administrative Assistant/Attendance/Student Accounts, Administrative Assistant Guidance/Registrar, Administrative Assistant Special Education).
 - c. Preschool: Level B (Administrative Assistant Pre-School).

7. The Superintendent shall notify the Association as to how many layoffs shall be implemented. Although the Superintendent retains the right to determine how many administrative assistant cuts and where the administrative assistant cuts are to take place, it encourages dialogue between the parties on this subject.
8. Under normal circumstances, administrative assistants to be affected by a reduction in force shall be notified by **May 15th**, but in no event later than **June 15th** of the school year preceding the school year in which the reduction is to be effected. If town meeting reduces the budget from that level submitted by the School Committee, then this notice requirement does not apply to the choice of additional administrative assistants to be laid off as a result of said town meeting budget reduction, provided however, that town meeting action adjourn after June 1 and provided that the person(s) affected shall be notified within fifteen (15) business days after acceptance of the budget by the town(s).

B. Definition and Computation of Seniority

1. Seniority is defined as the length of consecutive service from the first day of work as a regularly appointed administrative assistant in the District in which they are employed. Authorized leaves of absence with pay shall be considered time worked for purposes of seniority. Authorized leaves of absence without pay shall not be considered a break in service, but will not count toward seniority.
2. Part-time Personnel: In the case of employees who are working less than 100% for their respective Principal/Superintendent, their length of service status for the part-time period will be determined by multiplying the percentage of time worked against the total time period involved, i.e., employee employed by the Principal/Superintendent for 40% of the school day or school year for a total of ten (10) years, $40\% \times 10 \text{ years} = \text{four (4) years seniority}$, plus full-time employment, if any.

C. Rights and Recall during Layoff

Administrative assistants will be recalled in inverse order of their layoffs within disciplines as positions for which they are qualified become open. Administrative assistants will remain on a recall list for a period of two (2) years from their date of dismissal.

1. An employee who is recalled by the Superintendent within two (2) years shall have restored to them all benefits they had accumulated at the time of their layoff.
2. Administrative assistants on the recall list shall be entitled to membership in any group health or life insurance coverage in existence at the time of the effective date of the layoff, provided however, that the carrier allows such participation and that the administrative assistant pays the entire cost of such insurance pursuant to the requirements of the insurance carrier, and that there will be no contribution by the Region or town(s) for such employee's insurance.
3. Administrative assistants on layoff shall be given preference on the substitute list in the areas in which they are qualified, as determined by the Superintendent of Schools, provided the administrative assistant on layoff indicates in writing to the Superintendent of Schools a desire for such preferential consideration. Administrative assistants on layoff who serve as substitutes shall be subject to established policy and procedures regarding such employment.
4. When vacancies occur in the discipline of an administrative assistant on the recall list, the

Association shall be notified by certified mail at its last address of record and shall, in turn, be responsible for notifying the administrative assistant within five (5) business days, by certified mail. Failure to accept certified mail shall not be deemed sufficient reason for failing to meet the response date. Failure by the individual administrative assistant to respond to the Superintendent or his designee, with a letter of acceptance within **fifteen** (15) business days after receipt of certified mail, shall be considered a rejection of such offer, and the employee shall be dropped from the recall list. It shall be the responsibility of the personnel on the recall list to inform the office of the Superintendent of Schools and the Association of changes of address.

5. Administrative assistants on layoff who have declined an offer to be recalled need not be contacted further nor rehired in the event of additional openings to be filled. Administrative assistants who are serving in a comparable administrative assistant position in another school system and are offered a position in this system must be willing to wait to commence the position until the first day of work in the next year, otherwise he/she goes off the recall list.

ARTICLE XXV **JUST CAUSE**

No administrative assistant will be reprimanded or dismissed or lose professional advantage without just cause. This section shall not apply to the non-renewal *for performance* of an administrative assistant to a contract of employment. Administrative assistants whose contracts are not to be renewed shall, if requested, be granted a hearing by the Superintendent.

ARTICLE XXVI **RETIREMENT**

- A. Employees who meet specified conditions of employment, as set forth by Barnstable County Retirement, automatically become members of such plan and, as such, are eligible for the retirement benefits of the program after completing ten (10) years of employment.
- B. Employees are not contributors to, nor beneficiaries of the Federal Insurance Contributions Act (the so-called Social Security Law).

ARTICLE XXVII **STAFF DEVELOPMENT**

- A. The District Director of Curriculum, Instruction and Assessment will work with administrative assistants to develop a professional development schedule for the purpose of cross training positions within buildings. There will be two (2) half day training sessions for each administrative assistant that will be scheduled during regular working hours. New employees shall receive sufficient training on technology applications and job tasks. Current employees shall receive training as new job tasks and technology applications are introduced. Such training shall be during the regular work week.
- B. The Committee will pay reasonable expenses (including fees, meals, lodging, and/or transportation) incurred by employees who attend workshops, seminars, conferences, or other staff improvement sessions with the advance approval of the Principal and Superintendent of Schools.
- C. Administrative Assistants will have access to the professional growth account in the amount of

\$5,000 per school year. Administrative Assistants may access this professional development account up to a maximum of \$500 per year per Administrative Assistant until the monies have been expended. Professional Development workshops and course content must align with District goals or work specific to the employee's assignment. If funds remain as of March 15, these funds would become available to all Administrative Assistants; Assistants who have already reached their maximum of \$500 per year may apply for the use of these funds. However, in no case will reimbursement exceed \$750 per school year for a single course/workshop.

ARTICLE XXVIII

STIPENDS AND ADDITIONAL PAID WORK

- A. If an administrative assistant is performing or is appointed to a stipend position listed in another Collective Bargaining Agreement between the Nauset Regional Committee or the Committees for the separate elementary schools and the Nauset Education Association, the administrative assistant will be paid such stipend as if the stipend were incorporated by reference into this Agreement.

ARTICLE XXIX

MEMORANDA OF UNDERSTANDING

All Memoranda of Understanding on record with enduring impact and those signed in the future will automatically be incorporated into this Agreement.

ARTICLE XXX

LONGEVITY

For the purpose of Longevity benefits, total years shall be based on the number of continuous years of service to the District and/or member elementary schools when employed in any capacity or assignment (*i.e. educational assistant, teacher, administrative assistant*). For the first year of employment to count as a year of service an employee's date of hire must be on or before September 16th. Service as a long-term substitute shall count toward longevity providing it is part of an employee's continuous employment. When an employee has unpaid leave in excess of 50% of their contracted days in any school year, then the year does not count toward longevity.

All administrative assistants shall be eligible for Longevity payments according to the following schedule:

AFTER 7 years of service - \$600
AFTER 10 years of service - \$1,100
AFTER 15 years of service - \$1,350

1. In compliance with the provisions of Chapter 385 of the Acts of 2002, the Superintendent of Schools shall request and review CORI checks. Employees shall be made aware that CORI reports concerning them are being requested and when such request is actually made. Such checks shall take place prior to commencing employment and not more than once every three (3) years thereafter. Employees shall be made aware that upon request, they shall be provided with a copy of the CORI report received by the Superintendent. All CORI reports shall be kept in a separate, secure file maintained in the office of the Superintendent. Upon termination of employment, an employee may request in writing that he/she be given his/her reports.
 2. After review of a CORI report, the Superintendent, if he/she deems it necessary, may meet with the employee who may, at such meeting, be represented by the Association. Requests would be treated in a similar manner as teachers who make such requests.

APPENDIX F

¹Summary of Parental and Family Leave for School Employees

Massachusetts Parental Leave Law

This is a state law (M.G.L. c. 149, § 105D) allowing employees eight weeks of consecutive leave for childbirth or adoption. You are eligible to exercise leave under this law if you have completed any probationary period (not to exceed three months). Under the Massachusetts Parental Leave Law, unlike the Family and Medical Leave Act, you are entitled to eight weeks immediately following your child's birth or adoption, whether or not you have exercised other leave prior to your child's arrival. MPLL leave may be with or without pay. The employer is entitled to two weeks' notice of anticipated exercise of MPLL leave.

Family and Medical Leave Act

This is a federal law (29 U.S.C. §§ 2601-2654) providing a total of 12 weeks of leave during a 12-month period for any combination of the following reasons: (1) the birth, adoption or foster care of a child; (2) the employee's own serious health condition, and (3) care for a parent, spouse or dependent who has a serious health condition. For parental leave purposes, leave under the Family and Medical Leave Act must be taken in consecutive weeks unless the employer and employee agree otherwise. Further, you may exercise parental leave under FMLA only during the 12 months following the birth or adoption of your child. If your intention to exercise parental leave is foreseeable, you are required to give your employer at least 30 days' notice of your intention to take FMLA leave. Leave may commence in less than 30 days if the birth or adoption placement occurs earlier than anticipated, but notice must still be given as soon as practicable. Under the Family and Medical Leave Act, vacation weeks do not count against your 12-week entitlement. If you use three weeks of FMLA leave at the end of one school year, you will have nine weeks left at the beginning of the next school year.

Small Necessities Leave Act

The Small Necessities Leave Act is a state law that allows eligible employees up to 24 hours of leave every year in addition to the 12 weeks allowed under the Family and Medical Leave Act, for the following purposes:

- To accompany a child to routine medical or dental appointments, such as checkups or vaccinations;
- To participate in school activities directly related to a child's educational advancement, such as parent-teacher conferences;
- To accompany an elderly relative to routine medical or dental appointments or for other professional services related to the elder's care.
- To be eligible for SNLA leave, you must meet the same criteria as for FMLA leave.

Eligibility for leave under the FMLA and SNLA

This leave is available to employees who have worked for the school district for at least 12 months (not necessarily consecutively) and who have worked at least 1,250 hours during the immediately prior 12 months. Full-time K-12 professional instructional employees who have worked a full school year are presumed to meet the hourly requirement. Education Support Professionals and other higher education personnel are not entitled to this presumption. Part-time ESPs may not meet the 1,250-hour threshold.
